

MORBARK® 23 NCL TRACK CHIPARVESTOR

BENEFITS

- With the powerful Caterpillar 320L undercarriage it enables the operator to traverse uneven, rough terrain with ease.
- The 75" chipper disc allows you to chip large volumes of wood.
- Built in a quality-driven factory by highly experienced personnel.
- Long lasting, durable machine that holds its value.
- Backed by a world class parts and service support team.

Morbark Integrated Control Systems
Automatically adjusts feed rates, monitor pressures and feed wheel position to maximize production and engine efficiency.

Remote Control
Wireless remote control with a 60' tethered remote back-up system for chipper operation.

Feed System
Powerful multi-wheel system provides positive feed of logs and tops for excellent chip quality.

Tracks
330L Caterpillar undercarriage with 700mm double grouser pads.

SPECIFICATIONS

Note: Specifications may vary with equipment options

04252011

GENERAL

Length 28'10"
 Height 11'9"
 Width 10'6"
 Gross weight 59,780 lbs.
 Horsepower 700-875 HP
 Engine..... CAT or Cummins
 Fuel capacity (tank) 300-gallons
 Hydraulic oil capacity..... 200-gallons
 Morbark Integrated Control System (MICS)

CHIPPER

Hydraulic chipper hood for easy knife access
 4-wheel hydraulic feed wheel compression system
 Heavy duty feed works drive
 Hydraulic powered swivel and telescoping chip discharge spout with transition constructed of wear form steel
 320L Caterpillar Undercarriage with 24" (600 mm) double grouser pads with ground clearance of 20"

OPTIONS

Air Compressor
 Halogen light package
 ESPAR heating system for cold weather start
 Reversing Fan
