FOR IMMEDIATE RELEASE

Morbark Announces Nortrax Inc. as Tree Care Products Dealer for Florida

Winn, Mich. (December 15, 2011) – Nortrax Inc., a Morbark, Inc., recycling and forestry dealer since 2009, has recently signed an agreement to become Morbark’s exclusive tree care products dealer in Florida.

Nortrax, with their reputation for great customer service, outstanding facilities, and highly trained and motivated staff members, will provide added value to Morbark’s customers in the area. With 10 Nortrax locations serving central and southern Florida, Morbark tree care customers now have the multitude of options for equipment sales, parts and service that has been enjoyed by its industrial customers.

“We are excited to have a dealer the caliber of Nortrax represent our line of tree care products,” said Morbark Tree Care Products Sales Manager Casey Gross. “With their many locations throughout central and southern Florida and their superior customer service, Nortrax is a dedicated and professional partner that we are proud to have support our customers.”

Mike Festing-Smith, Nortrax Southeast Region Vice President remarks, “We are proud to announce our expanded partnership with Morbark’s tree and landscape line in the central and southern regions of Florida. As John Deere’s largest North American dealership, this growth in our product offering continues to reinforce John Deere’s overall initiative in being committed to those linked to the land and gives Nortrax yet another opportunity to better serve our customers.”

About Nortrax, Inc.:

Nortrax is North America's largest John Deere construction and forestry dealer. Headquartered in Tampa, Florida, Nortrax, Inc. is 52 locations strong throughout the eastern and central regions of the United States and Canada. With multiple manufacturers, we specialize in new, used and rental equipment. Our parts team stocks an impressive selection for all leading equipment brands and our factory trained technicians service all makes and models. Whatever you need, you can count on Nortrax. Nobody goes further, digs deeper, or tries harder to keep you productive and profitable, every day.

About Morbark:

Morbark, Inc., based in Winn, Mich., has been innovating and manufacturing durable, high-performance equipment for the forestry, recycling, tree care, sawmill and biomass markets for more than 50 years. Morbark equipment helps customers harvest, process and convert wood and other organic materials into valuable, useful and profitable products. The company produces a full line of whole tree and waste wood chippers, flails, brush chippers, horizontal and tub grinders, sawmill equipment, material handling systems and more.
